Privacy

We respect your privacy and take serious precautions to ensure that any personal information submitted via this portal to PROTOCOL remains secure.

Personal Information

All personal information supplied to PROTOCOL will remain within our organization and will not be shared with any external entity unless prior permission is given.

External Links

PROTOCOL provides links to a variety of government, non-government, corporate and not-for-profit resources for the convenience of our users.

The content of these external sites is not maintained, controlled or endorsed by PROTOCOL and the accuracy of their supplied information is therefore not guaranteed.

In addition, accessing these external sites subjects you to the policies of each individual entity and may expose you to “cookies” and other forms of internet surveillance unrelated to and out of PROTOCOL’s control.

Public Domain Materials

It is PROTOCOL’s intention to provide users with the most relevant materials available in an easy to navigate interface.

Should we republish or repackage public domain information, we will always identify the original source with a citation.
